Re: Region 6 and Region 8 Vacancies on CASB Board of Directors

The CASB Board of Directors has two, one-year vacancies on the board for applicants from Region 6 and Region 8 (each region has one vacancy). The CASB Board will appoint a new director to serve until the next board election in December 2020 and the appointed directors will be eligible to run for one of the terms that will be open at that time. Although it is not a requirement, the board is interested in candidates who are willing and able to serve more than one year on the CASB Board of Directors.

If you are interested in being considered to fill a vacancy, please submit a letter of intent (300 word limit) to me in care of Ana Navratil at anavratil@casb.org. The letter should describe your interest in the position and why you would like to serve on the CASB Board. Please include answers to the following three questions prepared by the CASB Board Leadership Committee. Answers to each question may not exceed 150 words.

1. Describe your understanding of CASB's role as a membership organization and how you see yourself becoming an effective contributor on the CASB Board of Directors?
2. What should be CASB's priorities for the next five to ten years?
3. What are your top two ideas for closing the achievement gap in education in Colorado?

Deadline: We must receive your information by 4:00 p.m., December 16, 2019.

The CASB Board's Executive Committee will conduct telephone interviews with candidates on Wed., December 18th. If you are appointed, your first meeting will be the board's January 24-26, 2020, annual retreat to be held in Florissant, Colorado.

The qualifications necessary to serve on the CASB Board are to be a board member of good standing on a Region 6 or Region 8 local school board that is a member of CASB, and to have the enthusiasm and time to serve on the CASB Board. For your convenience, attached is a list of districts by CASB region. Please feel free to give me or Cheri Wrench a call if you have any questions about the vacancy or the process.
